

Ministry of Education Information Links for Parents

Website: edu.gov.on.ca

The Ministry of Education Website has information such as academic assessments, Standardized Testing to Homework Help/Links etc. Please note “The Tabs” noted below include more information than what is referenced on this information sheet.

A challenge for you as a caregiver, is to find out something you did not know about the education system.

1. Select “**Parent**” Tab

- Under “Check us out” you will find information regarding Parent Resources, Parent Engagement, Child/Family Programs etc.
- Under “My Education” you will find information regarding Focusing on Fundamentals of Math, Explanation of how your child is being academically assessed, Ontario’s Education System, I Need More Help, who do I Contact? etc.
- Under “News” (in Parent Tab), you will find up to date correspondence from the Ministry of Education

2. Select “**Student**” Tab

- Tutoring programs for students
- Under “News” (in Student Tab) you will find up to date correspondence from the Ministry of Education

3. Select “**Teacher**” Tab

- You will find “Ontario's Strategy for International Education”
- You will find “Greater Equity, means Greater Student Success”
- Under “News” (in Teacher Tab), you will find up to date correspondence from the Ministry of Education

4. Select “**Popular**” Tab

- You will find Curriculum Documents, Policy & Resource Documents, Website Links: EQAO Link to preparation of standardized testing
